

Winter Projects

The plane that we finished restoring in the Fall is now flying regularly for flight training. The next big project this winter has been preparing another donated Cessna 206 for regular flight training. One of our flight instructors previously flew this plane in Brazil, but as the plane is too old to serve overseas, it'll support training the next generation of missionary aviators. Pray we'll finish this and other winter projects in time to be ready for the busy flying season.

One of our recent graduates is serving with us in maintenance for the Spring to build experience. He grew up in Indonesia and is excited to return to Indonesia as a missionary. Pray that the experience would be valuable and that his transition to missions would be smooth.

Bible Translation

Almost 30 years ago, Wycliffe set a goal of having Bible Translation started in every language that needs it by the end of 2025. We didn't quite make it, as there are approximately 550 languages left, but God has been faithful in allowing us to accomplish this much in Bible Translation. For perspective, there are more than 4,000 translation projects currently in progress. Thank God for continued progress and keep praying for God to provide both translators and support personnel to meet remaining needs, both in starting in every language and faithfully completing translation projects.

Deborah has been seizure-free since August and her appetite has improved. Pray that the current medicines and treatment continue to work well. In the meantime, she's enjoyed riding her bike and occasionally cross-country skiing this winter.

We joined Wycliffe Bible Translators to help ensure that everyone has access to the Bible in a language they understand best. In spite of life changes, we're still committed to that purpose.

For the Bibleless,

Steve and Rebecca

Praises

- Deborah's medicines are currently working
- Support from family Prayer Requests
- Wisdom for doctors
- The planes would be ready for the busy flying season

The harvest is plentiful,
but the laborers are few.

Therefore pray
earnestly to the Lord of
the harvest to send out
laborers into His
harvest.
